SCHOOL SUPPLY PROGRAM 2019 INFORMATION

WHAT: The school supply program provides basic school supplies at no cost to children living in the Village of Kenmore/Town of Tonawanda (Ken-Ton) and attending a school within Ken-Ton (please see list below). Children living in the district but placed in other schools by the district for special needs also qualify. **Preference is given to children that qualify for free/reduced price lunch.**

How: In order to get materials, **you must fill out the online order form which will be available by August 1st.** The link will be available on our Facebook page (KenTonCloset) and our website (<https://www.kentoncloset.org/get-help>). This year we will be supplying specific items for grades preK-1 (Early Elementary), 2-4 (Late Elementary), 5-7 (Middle School) and 8 – 12 (High School); please see attached list for details. Children in elementary and middle school will also receive a “homework bag” of supplies that can be kept at home for students to complete work there. Items can be requested by **parents/guardians, students, district faculty/staff or other qualifying community organization.** In emergency circumstances, paper applications may be used but please note that this may delay your order.

WHERE: Supplies will be dropped off directly to the child’s school or the Family Support Center with the child’s name on it. We will not deliver to other locations.

WHEN: You can begin requesting items **August 1st** through the link on the website/Facebook page (<https://forms.gle/CfvVZbwkWmNrL6Gv9>). This link will remain active until 300 orders have been received. Please note we expect orders to fill quickly! We will deliver items directly to the schools before the first day of school. If requests are made after the first day of school of school, we will try our hardest to supply items within 48-72 hours of the request if items are still available. Orders are first come, first served basis.

NOTE: Once your order is received we will send you an email/text/phone call within 5 - 10 business days to let you know your request is being processed. We ask that you DO NOT contact the schools to inquire about your order.
